Five Plotted With Oswald, **New Orleans Man Claims**

New Orleans, Feb. 20—(UPI)— Garrison promised arrests and convictions from his investigation persons were involved with Lee Harvey Oswald in the as- Still in City sassination of President John F.
Kennedy, and that he knows their identities.

Still in City
Lewis, who identified himself as one of the witnesses upon whose testimony Garrison's case

said yesterday he has the names of the five persons who were alof the five persons who were al-legedly involved in the planning Garrison, who has blasted the phase of the plot on the President's life.

'Plenty of Help'

disclose the names until he is permitted to do so by New Orleans District Attorney Jim Garrison, who this weekend said the plot to assassinate Mr. Kender with the state of this operation, and in charge of this operation. nedy was hatched here.

Garrison has claimed that Osanybody."

wald had plenty of help in de-vising the scheme, and vowed that he would prove his claim.

Garrison said he would wel-come federal assistance, but would not relinquish control.

David Lewis, a bus station express handler who worked as a private investigator here in the months before the assassination,

which ruled there was no conspiracy, said he would not turn Plenty of Help' over his investigation either to the FBI or the Justice Depart-

I'm not about to turn it over to
